F&B Communications is pleased to announce that we are ready to begin connecting customers to our new fiber network in your area! Currently, we are scheduling installations of our fast fiber Internet, Absolute Cable TV and home phone services.

We encourage you to go to www.fbcom.net/fiber and complete our pre-application form. Once we receive your pre-application, we'll contact you by phone to finalize details and schedule an installation appointment. We expect installations to occur throughout June and July. We'll process installation requests in the order received.

To learn more about our fiber Internet packages, go to www.fbcom.net/internet/. As a local, community-based provider, our goal is to deliver an excellent subscriber experience and we look forward to getting to know you and welcoming you to the F&B family.

Why F&B Communications fiber Internet?

- **Reliability** – Our secure fiber network is 100% buried to protect it from the elements.
- **Super-fast** – All plans offer symmetrical speeds for speedy surfing and buffer-free video streaming.
- **SmartHub Managed Wi-Fi** – Carrier-grade Wi-Fi equipment gives you excellent coverage throughout your home.
- **No data caps** – All plans offer unlimited usage with no throttling or overage charges.
- **No contract** – We don't require a contract or use tricky introductory prices that increase unexpectedly.
- **In-home installation by experienced techs** – This sets us apart from our competitors and ensures you'll be up and running quickly.
- **Premium support** – 24/7 connection troubleshooting and email support is available. We also offer same business-day dispatch during regular hours for repairs that require an on-site technician.
- **Community partner** – You are our friends and neighbors. We're a local company fully invested in the communities we serve. You'll see our company and employees supporting many local causes that matter.

We are excited about the completion of our network expansion in your area and look forward to potentially serving you. For more information, please call (563) 374-1236.
